

FOLKESTONE

Tradition is everything and nothing celebrates and expresses tradition in architecture like old English limestone affectionately called flagstone by the locals around the quarries of Folkstone. Soft gentleness to the touch and pleasing to the eye, let this collection transport you to the rainy south of England where the crackle of the fire brings the warmth to this age-old stone. Celebrated here in the three natural shades.

FINISH

- Natural (R9)
- Textured (R11) (Only 608 x 608 non rectified)

THICKNESS OPTIONS

- 10 mm
