

RENDER

Soft concrete lends itself to a variety of interior styles from modern to shabby chic let this collection envelop your interior and exterior with the unique look of concrete. Render is a collection that expresses the uniqueness of molded concrete that has been washed by craftsmen to remove the harshness of the molds, with stokes of the human hand they wiped away the impressions and leave the cement hues to dominate. Soft to the touch and easy on the eyes this is the perfect contemporary material available in easily combinable shades.
